Licenses, Bonds, Insurance Coverage

(b) Bonds:

- (1) Installers shall post a bond in the amount of \$5,000 to assure the satisfactory completion of work. The bond shall remain in full effect for a period of one year after satisfactory completion of the most recent work. For the period of one (1) year from the date of completion of the work, the contractor shall repair, without cost to the property owner or Town, all defects in the work or parts of the work furnished or built by the contractor and any damage resulting from faulty workmanship performed by the contractor or due to faulty or imperfect material or equipment furnished by the contractor.

(c) Insurance Coverage:

- (1) Installers doing work hereunder shall maintain minimum insurance coverage as follows:

Public Liability	\$500,000	Bodily Injury
Property Damage Liability	\$500,000	each occurrence

Contractors shall file a certificate of insurance with the DPW Board of Public Works. These insurance limits shall serve as coverage for construction and maintenance of water lines only. Insurance coverage for public water projects contracted by the Town shall be established in those contracts.

Statement of Understanding

I _____ understand and have made myself
(Applicant)

aware of the requirements of the Town of Pepperell's DPW – Water Division's Rules and Regulations and/or DPW - Sewer and Wastewater Rules and Regulations; and guarantee that all statements made in this application are true and accurate to the best of my knowledge. Failure to comply with the said rules and regulations and the conditions of a particular permit may result in revocation or suspension of this license.
